LAB 6 – NR: ADD FEEDBACK FORM

NR

1. Add a new Feedback form in feedback screen

    In the Feedback create a Feedback form with the following text fields

        1.   Name
        2.   Email
        3.   Subject
        4.   Message

In the above-mentioned fields Name, Email and Subject should be created as text fields and Message as a text area.

Please refer the below image for creating a feedback form.
